Welcome to Glasgow South

The Glasgow South Group aims to advance road safety through education; we organise a variety of events and activities designed to engage road users of all persuasions and abilities. Based in Thornliebank, we are active throughout the south side of Glasgow and East Renfrewshire, as well as farther afield.

We are one of over 200 groups throughout the UK affiliated to IAM RoadSmart, the UK's leading independent road safety charity, which celebrated its 60th anniversary during 2016.

Group Meetings

We host regular meetings on a variety of driving, riding and general road safety topics. These are usually held in Thorntree Hall, Main Street, Thornliebank, G46 7SF. For an up-to-date list of events, please visit our website:

www.iam-gs.org.uk/events

Driving Assessments

Would you like some reassurance about your driving? Perhaps it has been a while since you sat your test and you think that one or two bad habits might have crept in?

We offer one-to-one assessments with one of our volunteer observers, which give you the chance to have your driving evaluated in a friendly yet impartial manner. These assessments typically last about an hour, and are free of charge. For more information, speak to one of our volunteers or visit our website:

www.iam-gs.org.uk/free-assessment

Advanced Driver and Rider Courses

IAM RoadSmart Advanced Driver and Rider courses are the IAM's flagship training programme. With the support of our team of volunteer observers, you will develop your skills in all aspects of driving or riding before undertaking the IAM's nationally-recognised advanced test.

The course costs £149, and includes all training materials and support necessary to pass the advanced test, along with one year's membership of IAM RoadSmart.

For more information or to sign up, visit www.iamroadsmart.com or search online for **IAM RoadSmart**.

Mature Driver Review

Maybe you, or a friend or relative, is struggling with the difficult decision about when or if to give up driving? Perhaps you are reapplying for your licence and would just like a little bit of reassurance that your skills are still up to scratch? If so, the Mature Driver Review is designed for you. Conducted by an approved assessor, it lasts about an hour and costs £49.

For details, visit www.iamroadsmart.com or search online for **IAM Mature Drive Review**.

Bikes

For those who favour two wheels to four, we have an active motorcycle section which meets regularly between April and September for both training runs and leisure outings. During the inclement Scottish winter, we also organise a variety of social activities.

More Information

For further information on any of these topics, please speak to one of our volunteers, or contact us using one of the following methods:
